Tegan Long

Administrative Assistant

My name is Tegan. I am in my early 20's. My role is an Administrative Assistant as well as being the Community Connector. I am local to Selsey, having lived here since 2006 and going through the schools here. I have fallen in love with Selsey and the community. I have volunteered for the community and local charities - from listening to people in need and using my arts and crafts skills in any way possible to give support. I love being able to use my creativity to help others express how they feel and to find the words they cannot say. I enjoy spending time with family and friends and exploring new areas that I have not been to before.
