Trustee

Selsey is a special place and I feel privileged to have grown up here. Schooling was in Selsey and Chichester and I then studied and worked in Surrey for a number of years prior to moving back to the town. I enjoyed a period serving on Selsey Town Council and am one of the leaders at East Beach Church where we have been working more with community projects of recent times. Between my wife and myself we run Raycrafts shop in the High Street and Star Advertising Products in East Street. It has been good to put something back into our community through my involvement with Selsey Community Forum, and various of its activities and support projects over the last few years.
