

Gill Walsh

Trustee

Gill has lived in Selsey permanently for 20 years but, like many, she came here for her holidays and her late parents moved here 50 years ago. She has worked much of her career in the community – latterly as Community Resource Manager at Selsey Regeneration Ltd and as Clerk to Selsey Town Council. Gill retired 5 years ago, but wanted to continue to be part of the community. She is and has been involved in several Selsey community groups.
