

Liz Woodsell

Trustee

Liz moved to Selsey in December 2020, to fulfil her dream of living by the sea. Having worked within hospitality for all her career, in 2019 Liz, needing a change, joined UKHarvest as COO. During her time in the charity sector, she saw the huge impact that organisations, such as Selsey Community Forum, have on the most vulnerable. So in 2022 when she returned to her passion of hospitality, she wanted to give something back and volunteer with a local charity. She was delighted to become a Trustee with Selsey Community Forum in 2022.

Liz is married with 2 children.
