

## Mike Beal

Trustee

I moved to Selsey in 1986 and have been in education all my working career as a teacher of Design and Technology. I was elected to Selsey Town Council in 1987 and have been an elected member ever since. I have been a driver for the Venture Club since my arrival in Selsey. My sport interests include Rugby Union, Cricket and Golf and a multitude of other sports at an interested spectator level. I am happily married (1981) with one daughter.
